

PEACHTREE CITY BMX MEETING MINUTES. JANUARY 20<sup>TH</sup> 2018

1. SHAYNE AND ANTHONY ROBINSON, EMMA MCKAY, LIZZIE MCKAY, CHUCK ROONEY THE ROONEY, LOUIS KOTRONIS SABRINA DURANT CLAIRE ALEXANDER AND COSSANDRA YOUNG.
2. Meeting called to order at 4pm.
3. Minutes approved for 2017
4. Finances available on line. December a quiet month no racing. Only bills are promotions, security and wi-fi
5. Meaghan would like to see numbers on bike matching numbers on sheet. Will put up extra notice to riders to double check their numbers.
6. Concession: Emma reporting no issues. Makes a list of supplies each time for Shayne. Sales were good. Requests no additional people in side please. Shayne agrees, you are either working or outside. Very distracting. Had a few requests pita chips and hummus, fresh fruit. We will try.
7. Gate: still waiting on Adam to add extra hinge.
8. 2018 Peach Series and SQ trophies by Venture Shuffle board.
9. Track maintenance: We will start adding dirt to jumps and reshaping in April. Volunteers still needed to help on race day prep.
10. Volunteers: Our volunteer base is shrinking. How to grow? Sabrina suggests, payment in form of free racing or something like the LAPS program. Still deciding, payment in any form undermines what volunteering is all about. Once April hits we will be texting work sessions out and see what happens. It is NOT an option for me to personally call people to help.
11. Social Media: Lizzie is running with this. Hi-liteing sponsors, events, racers and updates on track conditions. Doing great.
12. Meeting adjourned at 5pm.
